*Two 200609 entering first-year BA students with no Pell and no loan declared a nursing major. However, one qualifies for exclusion; therefore, the cohort for determining retention and graduation rates will remain as 5. **One 200709 entering first-year BA student with no Pell and no loan declared a nursing major.

°The HEOA (Sec. 488(a)(3)) requires that the undergraduate completion or graduation rates for first-year students must be disaggregated by · gender; · major racial and ethnic subgroup (as defined in IPEDS); · recipients of a Federal Pell Grant; · recipients of a subsidized Stafford Loan who did not receive a Pell Grant; and · students who did not receive either a Pell Grant or a subsidized Stafford Loan. Students are to be considered to have received a grant or loan if they received it [for] the period used for determining the cohort – fall term or full year.
