

# CORRECTION 2018-19

## Early Childhood Special Education Child Life Credential—MA

Early Childhood Special Education Child Life Credential  
MA in Education with an Emphasis in ECE with Child Life and Preliminary Education Specialist  
Instruction Credential (MA/ECE/ CL/ECSE) Minimum of 59 semester course credits

- Students completing this program must only take EDUC 273A Field Experience in Child Life in Hospitals (3 credits) once. As reflected in Footnote 1: Students can take the Field Experience during either summer or during the fall semester. Because students only need to take EDUC 273A Field Experience in Child Life in Hospitals (3 credits) once, the minimum amount of credits to complete this program is **56** semester course credits.
