

**Mills College Financial Aid Office
2020 Summer Cal Grant Request Form**

Deadline to submit: June 1, 2020

Student Name: _____

Student I.D. # (required): _____

If you are currently a Cal Grant recipient, you may request to have a portion of your 2019–20 Cal Grant awarded to you in summer 2020. To request a summer Cal Grant, complete this form along with the Mills Summer Financial Aid Application.

In order to receive the full semester amount of your Cal Grant, you must be enrolled in a total of 12 units for your summer session. **If you are enrolled in fewer than 12 units, your Cal Grant will be prorated: 9–11 units = 75%, 6–8 units = 50%, less than 6 units = 0%/not eligible to receive award.**

PLEASE NOTE: The California Student Aid Commission considers the summer session a full semester of eligibility. Choosing to use your Cal Grant during the summer semester *will reduce your total program eligibility by one semester*. Most students are awarded eight semesters of Cal Grant eligibility (if you enter the program as a first-year student). By choosing to use your Cal Grant funds during the summer semester, you may not have enough remaining eligibility to assist with your tuition costs during your fourth year. You may verify your remaining Cal Grant eligibility online by creating an account on [Webgrants for Students](#).

I have read, understood, and accept the terms and conditions to receive a Cal Grant during the summer semester.

Student Signature: _____ Date: _____

How to Submit this Form:

Submit your completed form via email, regular mail, or fax. You may also submit it in person to the M Center in Carnegie Hall.
