APPLICATION FOR AUDITOR STATUS

Instructions:

Non-Mills students use this form to seek permission to audit a course at Mills. Approval for auditor status is not admission to Mills College, nor does it allow use of student facilities such as pool, lockers, or tennis courts. You are under the authority of the instructor, but no grade or credit for the course is allowed. It is also not possible to audit a course and later petition to receive credit for it.

The cost to audit a course is \$750. If this form is submitted after the semester's payment deadline (August 1 for Fall; January 2 for Spring), payment must accompany this form.

Please complete the following information, obtain the necessary signatures in the order indicated and return this application to Academic Records. This form must be received in Academic Records before the add deadline of the term. To obtain contact information for the department or instructor visit the Mills website or call 510.430.2255 for directory information.

Students are notified of the Auditor approval status by email.

Please print:

Last Name First Name M.I. Term and Year

Birthdate (mm/dd/yy) E-mail Address

Address City, State ZIP Phone Number
