

Mills College – M Center – Academic Records Declaration of Major/Program Form

1. Fill out this form in consultation with your chosen major advisor(s). If your major has a concentration, please check the appropriate box under your major selection.
2. If you have transferred courses to Mills, you must provide your new major advisor a copy of your transfer credit report available via myMILLS. Your advisor will review these courses to determine which may be placed into your major. Your advisor must list these courses in Section II below.
3. Double Majors: If you are declaring a double major at this time, you must obtain the signatures of both major advisors in Section IV of this form. If you have already declared a major and are now declaring a second major, please check “Double Major” in Section I below and obtain the signature of the 2nd major advisor only.
4. You must declare your major by the end of your sophomore year or, if you entered Mills as a junior, by the end of your first semester.
5. Courses used to fulfill the major may not be duplicated in your minor. For double majors, you must complete at least 10 unduplicated courses in each major.
6. If you have already declared your major and are requesting a different major advisor, please submit the Change of Advisor Form available online.
7. Your major sequence is governed by the catalog in use at the time you entered the College. If you opt for a new or revised major in the 2016-17 catalog, your major sequence will be governed by that catalog.
8. **The number of semesters of a student’s financial aid eligibility is established by the initial graduation date defined by the M Center upon your entrance to Mills. An extension of graduation date will not necessarily result in an extension of financial aid eligibility.**
