

Mills College – Academic Records Declaration of Major/Program Form

1. Fill out this form in consultation with your chosen major advisor(s). If your major has a concentration, please check the appropriate box under your major selection.
2. If you have transferred courses to Mills, you must provide your new major advisor a copy of your transfer credit report available via myMILLS. Your advisor will review these courses to determine which may be placed into your major. Your advisor **must submit a formal substitution request online via the Mills Portal**.
3. Double Majors: If you are declaring a double major at this time, you must obtain the signatures of both major advisors in Section IV of this form. If you have already declared a major and are now declaring a second major, please check “Double Major” in Section I below and obtain the signature of the 2nd major advisor only.
4. You must declare your major by the end of your sophomore year or, if you entered Mills as a junior, by the end of your first semester.
5. Courses used to fulfill the major may not be duplicated in your minor. For double majors, you must complete at least 30 unduplicated credits in each major.
6. If you have already declared your major and are requesting a different major advisor, please submit the Change of Advisor Form available online.
7. Your major requirements are governed by the catalog under which you were admitted.
8. **The number of semesters of a student’s financial aid eligibility is established by the initial graduation date defined by Academic Records upon your entrance to Mills. An extension of graduation date will not necessarily result in an extension of financial aid eligibility.**

+ Overall requirements for the BS degree differ from those of the BA. Please refer to the current catalog for specific requirements.

SECTION III: Waivers and Substitutions

A formal request must be submitted to waive or substitute a requirement in the major. Requests are submitted online via the Mills Portal. There is a link to "Submit a Waiver or Substitution Request" in the Faculty and Advisor Menu in myMILLS. **DO NOT EMAIL REQUESTS TO RECORDS.**

If the advisor has determined that another Mills course or a transfer course may be used to substitute a requirement in the major, the course work must be equivalent to at least 3 semester credits.

Progress toward completion of the degree is evaluated based on the requirements in the catalog under which the student was admitted. If required courses are no longer offered, submit a substitution request.

Waiving requirements is permitted, however the student must make up waived credit elsewhere in the major to achieve the minimum credit required for the major.
